IC Compliance Statement:
This device contains licence-exempt transmitter(s)/receiver(s) that comply with Innovation, Science and Economic Development Canada's licence-exempt RSS(s). Operation is subject to the following two conditions: (1)This device may not cause interference,(2)This device must accept any interference, including interference that may cause undesired operation of the device.

L'émetteur/récepteur exempt de licence contient dans le présent appareil est conforme aux CNR d'Innovation, Sciences et Développement économique Canada applicables aux appareils radio exempts de licence. L'exploitation est autorisée aux deux conditions suivantes :(1)L'appareil ne doit pas produire de brouillage; (2)L'appareil doit accepter tout brouillage radioélectrique subi, même si le brouillage est susceptible d'en compromettre le fonctionnement.

La operación de este equipo está sujeta a las siguientes dos condiciones: (1) es posible que este equipo o dispositivo no cause interferencia perjudicial y (2) este equipo o dispositivo debe aceptar cualquier interferencia, incluyendo la que pueda causar su operación no deseada.

(1) 이 기기는 가정용으로 전자파적합등록을 한 기기로서 주거지역에서는 물론 모든 지역에서 사용할 수 있습니다. (2) 당해 무선설비는 전파혼신 가능성이 있으므로 인명안전과 관련된 서비스는 할 수 없음.

根据 NCC 低功率電波輻射性電機管理辦法規定：第 ＋二條 經型式認證合格之低功率射頻電機，非經原核准，公司，商號或使用者均不得擅自變更頻率，加大功率或變更原設計之特性及功能。第 十四條 低功率射頻電機之使用不得影響飛航安全及干擾合法通信；經發現有干擾現象時，應立即停用，並改善至無干擾時方得繼續使用。前項合法通信，指依電信法規定作業之無線電通信。低功率射頻電機須忍受合法通信或工業、科學及醫療用電波輻射性電機設備之干擾。

The FCC Compliance Statement
This device complies with part 15 of the FCC Rules. Operation is subject to the following two conditions: (1) This device may not cause harmful interference, and (2) this device must accept any interference received, including interference that may cause undesired operation. This equipment has tested and found to comply with the limits for a Class B digital device, pursuant to part 15 of the FCC Rules. These limits are designed to provide reasonable protection against harmful interference in a residential installation. This equipment generates, uses and can radiate radio frequency energy and, if not installed and used in accordance with the instructions, may cause harmful interference to radio communications. However, there is no guarantee that interference will not occur in a particular installation. If this equipment does cause harmful interference to radio or television reception, which can be determined by turning the equipment off and on, the user is encouraged to try to correct the interference by one or more of the following measures:
—Reorient or relocate the receiving antenna.
—Increase the separation between the equipment and receiver.
—Connect the equipment into an outlet on a circuit different from that to which the receiver is connected.
—Consult the dealer or an experienced radio/TV technician for help.
The user is cautioned that any changes or modifications not expressly approved by the party responsible for compliance could void the user's authority to operate the equipment.

Skullcandy 2 YEAR GLOBAL WARRANTY

United States of America and Canada Product Purchase Only
Skullcandy warrants to the original consumer purchaser that the product will be free of defects in materials and workmanship for a period of two (2) years from the date of purchase ("Warranty Period") under normal consumer use and service. Your Skullcandy product's warranty period is one year if it is not a Skullcandy branded product.

Product Purchased Outside The United States of America and Canada
Skullcandy warrants to the original consumer purchaser that the product will be free of defects in materials and workmanship for a period of one year from the date of purchase ("Warranty Period") under normal consumer use and service. Your Skullcandy product's warranty period is one year if it is not a Skullcandy branded product.

Warranty: To avoid having damage, do not clean at high volume levels.

Warranty Exclusions: Normal wear and tear, cosmetic damage, loss of or damage to data, improper use, improper handling, improper storage, improper power supply, use not in accordance with product instructions, or use with ancillary equipment not specified by Skullcandy, unauthorized product modifications, or repairs or attempted repairs by anyone other than Skullcandy or an authorized repair facility, or any other cause that does not relate to a defect in materials and workmanship.

Warranty Limitations: Listen at low volumes. Loud music can permanently damage your hearing. Skullcandy does not warrant that its products will be free from hearing damage or any other injury or illness. Skullcandy does not warrant that its products will be free from damage to data. Skullcandy does not warrant that its products will be free from damage to mobile devices. Skullcandy does not warrant that its products will be free from damage to other products. Skullcandy does not warrant that its products will be free from damage to vehicles. Skullcandy does not warrant that its products will be free from damage to other property. Skullcandy does not warrant that its products will be free from damage to people.

Exclusive Remedy: Skullcandy's sole and exclusive obligation and your sole and exclusive remedy under this warranty shall be limited to the repair or replacement of the product, at Skullcandy's option, within the Warranty Period, provided that the product is returned to Skullcandy, transportation charges prepaid, and provided that Skullcandy's examination of the product shows that the product is defective in materials and workmanship and that the defect has not been caused by any of the foregoing exclusions or limitations.

Limitation of Liability: Except as prohibited by applicable law, Skullcandy's liability for any defective product is limited to the purchase price paid for the product. Except as prohibited by applicable law, Skullcandy shall not be liable for any other damages, including, without limitation, any incidental or consequential damages, lost profits, lost savings, or any other loss arising out of the use or inability to use the product, even if Skullcandy has been advised of the possibility of such damages.

IC SAR Statement
This equipment complies with IEED radiation exposure limits set forth for an uncontrolled environment. End user must follow the specific operating instructions for satisfying RF exposure compliance. This transmitter must not be co-located or operating in conjunction with any other antenna or transmitter. The portable device is designed to meet the requirements for exposure to radio waves established by the IEED. These requirements set a SAR limit of 1.6 W/kg averaged over one gram of tissue. The highest SAR value reported under this standard during product certification for use when properly worn on the body.

Cet équipement est conforme aux limites d'exposition aux rayonnements IEED établies pour un environnement non contrôlé. L'utilisateur final doit suivre les instructions spécifiques pour satisfaire les normes. Cet émetteur ne doit pas être co-implanté ou fonctionner en conjonction avec toute autre antenne ou transmetteur. Le dispositif portatif est conçu pour répondre aux exigences d'exposition aux ondes radio établie par le développement énergétique DURABLE. Ces exigences un SAR limite de 1,6 W/kg en moyenne pour un gramme de tissu. La valeur SAR la plus élevée signalée en vertu de cette norme lors de la certification de produit à utiliser lorsqu'il est correctement porté sur le corps.
